## SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Men's Shed (SBMS) extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop. If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but

certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. Projects and activities are also undertaken which benefit the community.

Men with an interest in the activities of the SBMS are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

*If anyone is interested in purchasing bagged wood at \$10 per bag from our Men's Shed please call Graham on 0408896494 or be at the Mens Shed on Tuesday or Wednesday mornings between 9 and 12.*

**Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.**

### Lyndoch Group

The Lyndoch Red Cross will meet next on Monday 6th May, 2024 at 2pm in the meeting room at the rear of the library.

Also, Red Cross have a zone meeting at the Angaston Uniting Church Monday 13th May at 10.30am, for those that wish to attend.

## LYNDOCH HISTORICAL SOCIETY

The History Month activity arranged by the Lyndoch Historical Society will be on Tuesday 21st May at 11 am. until 3 pm. in the meeting room at the rear of the Lyndoch Library. A display of "Unsung Heroes" (women of the district during the 20th Century) and their community involvement will be on show.

A pamphlet looking at the development of the participation of women in the Lyndoch community during the first half of the twentieth century (1901 - 1950) will be on sale. It is interesting to see how the two World Wars assisted the women in replacing the local men who were away serving in the various theatres of war. The Society's Museum will be open and there will be members available to provide assistance with family research as well.

*20th Century – Snow on the Barossa Range 1901 (Lyndoch photographer, Thomas Sladdin)*

For the town's female population their early role was one of support. There was limited opportunity for women in Lyndoch to be part of the paid work force. The Public School employed single women as assistant teachers and the Post and Telegraph Office was staffed by women, the last one being Miss Barkley, who came to the town in 1916 and was a pioneer model for the female gender. She was involved in various community and church groups and helped with the war effort during both world wars. In April 1925 she was appointed a Justice of the Peace and sat on the Bench for local court cases. Also for a very short period of time the licensee of the Lyndoch Hotel was a woman and the Coffee Palace had a female proprietor.

Each New Year's Day the ladies could look forward to attending a picnic sports meeting held at the oval with the 'Ladies Cotton Race' being the only acknowledgment that they were present. In 1905 it became the 'Ladies Potato Race' with prizes of 10/6 and 7/6 donated by the Boomerang Tea Company. Later guessing competitions were added when the men had to estimate the number of wheat grains in a bottle while the ladies had a bottle of pins for their guess. During World War I years, a foot race for the Red Cross ladies was included and won by Miss Burge with Mrs Schraeder as runner up. The usual Cotton Winding race was won by Mrs Evans with Miss Klauber the runner up. In 1931 a daring new event, 'Lighting Cigarettes by Ladies', and a 75 yards women's flat race were added to the programme.

## Fire Danger Season – Ended 30<sup>th</sup> April 2024 – Still Dry Conditions

From midnight on the 1<sup>st</sup> May 2024, the Fire Danger Season officially ended in the Mount Lofty Ranges. We must still use common sense if, or when lighting a fire, as Regulations still apply, and large fires have occurred around the State in the last week, causing concern for the CFS.

It is likely that many of us have stockpiled rubbish ready to burn and we would like to remind residents of the following:

### FIRSTLY: THINK FIRE SAFETY!

1. Please ensure there is a four (4) metre cleared space around and above your rubbish heap.
2. If you think your rubbish heap is too big or too close to trees or buildings, make several smaller piles in safer areas. Smaller piles are likely to burn more efficiently anyway.
3. Please ensure you have a rake or shovel on hand together with a water hose that is capable of reaching to the far side of the fire.
4. Please do not leave the fire unattended **at any time**.
5. Please be considerate of your neighbours with regards to wind direction and smoke.

### SECONDLY: THE ENVIRONMENTAL PROTECTION AGENCY (EPA) HAS STRICT RULES FOR DOMESTIC BACKYARD BURNING!

1. Backyard burning is only allowed **Monday to Saturday** (Not Sundays).
2. Fires **must not be lit before 10am**.
3. Fires **must be completely extinguished by 3pm**.
4. **Only perfectly dry wood, paper and pruning's can be burnt** in a clean hot burn.
5. Leaves, lawn clippings and other garden refuse should be composted or disposed of via the "Green Waste" pickup service. The Barossa Council encourages these options.
6. It is an offence to burn Treated Pine and items containing plastics.
7. Smoke that is offensive to neighbours is reportable.
8. The only fires allowed at night are home heaters and outside fires principally used for cooking or "comfort fires" not exceeding 1 metre by 1 metre, using clean dry wood.
9. Penalty - on the spot fines may be issued by The Barossa Council or the EPA.

### PLEASE NOTE:

- These are EPA Regulations, not CFS or The Barossa Council regulations.
- The Barossa Council administers the Regulations along with the EPA and SA Police.
- The local CFS Fire Brigade only puts out the fires.

If you require further information on domestic or rural burning, pick up a "fact sheet" from your local Council Office or call Jamie at The Barossa Council on 8563 8444.

**Think, before you burn a hole in your pocket!**

IF YOU WOULD LIKE MORE INFORMATION ABOUT YOUR LOCAL CFS BRIGADE,  
See us on Facebook or call us on Wednesday nights.

## *On the Grapevine*

### **Thank you**

The volunteer editors of The Lyndoch Grapevine would like to extend a grateful Thank You for the kind donation by the Lyndoch Dancing Group towards printing costs.

-first-served basis strictly during the promotion period – no early birds!

Mayor Bim Lange said the program, now in its third year, was in direct response to feedback from the community.

“In addition to the replanting work we have been undertaking, we want to keep encouraging people to plant natives in their garden as another way to intentionally and proactively make a difference,” Mayor Lange said.

“Local species are water wise, low maintenance and provide habitat, shelter and food for wildlife like native bees, birds, insects and small mammals. This means you can spend less time in the garden while reaping the rewards of a beautiful green space.”

The Barossa’s Best Native Garden Competition also returns to help celebrate the region’s finest green thumbs. Avid gardeners, whether experienced or beginners, are invited to email images of how they are using native plants at home for a chance to win plants from Barossa Bushgardens and some extra gardening goodies.

Competition entry details and more information about the native plant giveaway is available at [Barossa.sa.gov.au](http://Barossa.sa.gov.au)

### **Free Native Plants**

The Barossa Council is helping to build biodiversity in backyards by giving away native plants to local property owners.

Residents can simply bring their rates notice to Barossa Bushgardens between 1 May and 30 June and access five free native plants per property as part of the initiative.

# ANZAC Commemoration, Williamstown

Over 1200 hardy people braved the cold to commemorate ANZAC Day in Williamstown. For those attending, their attention focussed on 101-year-old Arnold Wilson who served in New Guinea in World War 2. Unaided, Arnold laid a wreath to loud applause, and he saluted to all in response.

Capably MCed by Robyn Dennard, the gathering was further supported by a Catafalque Party from the RAAF Edinburgh and piper Craig McDonald. Presentations were made by Mayor Lange of The Barossa Council, remembering his personal visit to the Western Front in Belgium and France and

Graham Todd gave a carefully researched description of the service and sacrifice made by Aboriginal and Chinese members of the Australian Imperial Force in World War 1.

Commander (retired) Simon Taylor RAN recited the Ode and significantly, there were a large number of wreaths placed by community members.

Organiser Trevor Jessop was delighted with the turn-out "I am really pleased with the significant support shown by the community".

**Our winery 1837 Barossa commemorates the date on which Colonel William Light, founder of Adelaide and first Surveyor-General of South Australia named the Barossa in December 1837.**

The Barossa Colonel Light Monument, a life-size bronze statue of Colonel Light on horseback honours the birthplace of the Barossa on the estate. Our label is symbolizing Colonel Light pointing towards the Barossa Range when naming them in 1837.
