Barossa Medieval Fair is returning in 2024 to the Lyndoch Village Green!

This year the organisers will be utilising shuttle busses thanks to Link SA to limit traffic congestion, as well as a number of parking areas within the town to also limit parking issues.

The full parking and traffic management map will be released on the Lyndoch Community Group facebook pages next week and will include additions from last year as recommended by Council and residents directly affected by the event.

For any other questions contact the organisers at:

We now have an established fortnightly frozen meal delivery round to the Lyndoch and Williamstown area.

We also now have a team of local volunteers providing the delivery service. They want to see the service used by others now that they can see the benefits to members of their community. They are also having fun as they deliver.

Our volunteers are happy to help pack the frozen meals into your freezer while they chat with you and can help you complete your next order.

Try our meals, here is a little more detail

- Represent excellent value with a soup, main and dessert from a wide choice of varieties.
- Give you flexibility to manage your appointments and social occasions at short notice or for those times when shopping or preparing a meal with ease is an issue.
- Our meals are professionally prepared at our own Meals on Wheels Kitchen by our own chefs using the latest techniques to lock in freshness ready to smell and enjoy when reheated using our simple instructions.
- We can cater for special dietary or medical needs: e.g. - Swallowing or chewing difficulties, Low potassium - low lactose, Gluten or dairy free, and Vegetarian.
- Are suitable for people managing diabetes.

Note: The cost of meals is subsidised by the government for people registered with My Aged Care, have a Home Care Package or NDIS Package where the provision of meals is approved.

LYNDOCH HISTORICAL SOCIETY

The next meeting of the Lyndoch Historical Society will be held on Sunday 4th August at 2.00 p.m. in the Meeting Room at the rear of the Lyndoch Library. Continuing the World War theme the topic will revert back 85 years to 1939 when WWII commenced.

In 1974 the Barossa District Council and the Lyndoch Tourism Group had combined to enable a beautification scheme for the landscape in and around Lyndoch. With Arbor Day held in August each year by schools it was decided to invite both Lyndoch schools to be involved in planting trees so that phase one of the beautification scheme could be completed.

Fifty years ago, on 22nd August 1974 children from both schools planted trees. St Jakobi Lutheran School planted 40 Claret Ash trees along the Lyndoch-Williamstown Road (now Lyndoch Valley Road). This ceremony was conducted by Mr Jim Cowell, Chairman of the District Council of Barossa.

The Lyndoch Primary School children planted 40 English Ash trees on the side of the Sturt Highway (now Barossa Valley Way) between the oval and the turn off to Gawler. Councillor Colin Burge spoke at this ceremony

Cr Jim Cowell (left)
Cr Colin Burge (right)

A resident, partial to claret, whose property was along the road to St Jakobi School persuaded the school to choose the Claret Ash. The Primary School whose students were mostly of English origin were allocated the English Ash. These trees are still growing along the road sides.

The Society has not been able to locate any photographs of the occasion.

LYNDOCH CFS

CREWS READY TO RESPOND... 24/7

Your local CFS Crews are always ready to respond and train weekly in various firefighting techniques, including attending multiple specialised courses throughout the year to extend their knowledge and experience to deal with any Emergency Incidents.

Never knowing what time of day the pager may go off, there are always crews ready to assist, and as first responders we never know what might be required until we are called... The Country Fire Service is about more than just scrub and grass fires. We respond to a wide range of incidents - from dogs in dams, cats up trees, assisting other agencies, trees down, storm damage, car fires, structure fires and road crash rescues.

Within the Barossa CFS Group we comprise of six Brigades, made up of Lyndoch, Concordia, Williamstown, Mount Pleasant, Springton and Eden Valley.

Williamstown and Mount Pleasant are Road Crash Rescue Brigades with Lyndoch also being a supporting Brigade with Road Crash Rescue trained crews. Brigades also carry Breathing Apparatus and have trained crews ready to go into burning structures when persons are reported missing. Now, to increase our level of care and response for our community, all Brigades in the Barossa Group have been trained in "Advanced Resus" and carry Oxygen Therapy Kits. Selected crews have been given specialist training in Advanced Resuscitation to provide additional care for the community and for fire fighters on the fire ground. We, at Lyndoch Station are immensely proud to have crews trained in advanced lifesaving skills and to start casualty care with airway management and CPR, prior to SAAS attendance.

On 13 August, Australian Red Cross celebrates 110 years.

We dedicate this milestone to the people we have stood beside through crises, and everyone who continues to make our important work possible—today and tomorrow. Together we will continue to be there in times of disaster, to promote respect for the laws of war, to treat every human with dignity, and remain a constant for people in need

Let's shape wellbeing together

A new landmark Barossa Wellbeing Project will be guided by local residents to build a happier, healthier and more connected community.

The project, which begins this week, is being led by The Barossa Council in partnership with Preventive Health SA.

It will kick off with extensive community engagement with community members, organisations, service providers and community networks to seek people's thoughts and experiences about wellbeing.

The findings will help Council develop a Wellbeing Plan to enhance community wellbeing in ways that are practical and effective.

Mayor Bim Lange says importantly, the initiative will have measurable results.

People can provide feedback in a variety of ways, including online at yoursay.barossa.sa.gov.au and in person from 1 July until 9 August. Surveys will be made

On the Grapevine

available at local churches, businesses, schools, sporting clubs and facilities and by request to Council.

"This feedback will help guide where we focus our efforts, as a Council and community, complemented by tools to help measure and monitor community wellbeing," Mayor Lange said.

SOUTHERN BAROSSA MEN'S SHED

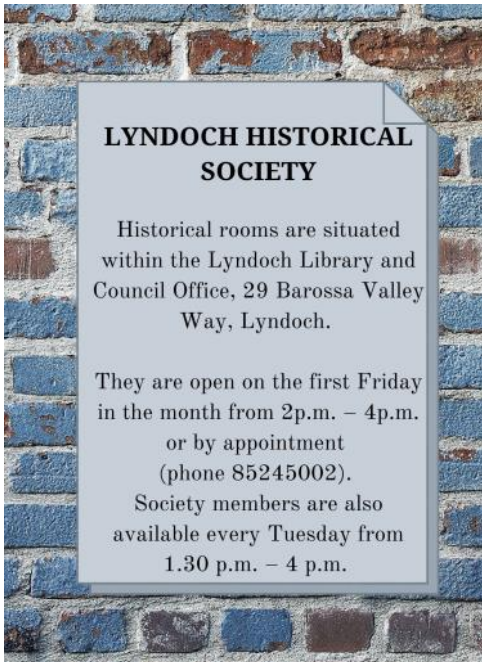

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Mens Shed (S.B.M.S) extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop. If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or

toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. Projects and activities are also undertaken which benefit the community.

Men with an interest in the activities of the S.B.M.S. are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.
