What is the Youth Opportunities Expo?

In the Barossa, and particularly the Southern Barossa and outlying townships there are few opportunities for youth, who choose not to or can't play competitive sport, to gather, connect, socialise and grow their sense of belonging and community with mentoring and advocacy support.

The Expo is part of the Southern Barossa Alliance (SBA) pilot "Nurturing Youth Engagement Opportunities Project" (NYEOP) supported by Foundation Barossa.

It's goal is to nurture local youth connection with their community and to contribute to

identifying the key needs of and advocating for the enhancement of youth facilities, services and events in the Southern Barossa.

The Expo will have stallholders that provide information on opportunities for socialising, education, work experience, casual work, volunteering, socialising and recreation and to access local health and wellbeing service providers who have a youth focus. There will have an opportunity to "come and try" Light Sabering with Gawler Light Saber Academy. The event is free and includes a free sausage sizzle.

SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years.

The Southern Barossa Men's Shed (SBMS) extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group. We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop.

If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys, mending and fix-

ing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skill-set of the members. Projects and activities are also undertaken which benefit the community.

On 29th September SBMS will be supplying and manning the BBQs at the FIND-N-TRAX motorcycle trail ride at Mount Crawford.

Men with an interest in the activities of the S.B.M.S. are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

Declutter and save returns

The Barossa Council is again offering a kerbside collection service or waste voucher to eligible residents, as part of its popular “Declutter and Save” initiative.

Both incentives require people to register directly with Solo Resource Recovery by phoning 8295 5077 or emailing adelaide.ops@solo.com.au, to schedule either an October kerbside collection date or secure a voucher.

Council’s hard waste kerbside collection option enables people to dispose of up to two cubic metres of household hard waste material at their kerbside.

The service will be available to the first 500 residents from An-

gaston, Eden Valley, Lyndoch, Moculta, Mount Pleasant, Nuriootpa, Penrice, Sandy Creek, Springton, Stockwell, Tanunda and Williamstown.

Accepted materials include furniture (excluding mattresses), white goods including fridges and freezers, electronics such as TVs and computers, carpets, gardening equipment, metal and timber.

Meanwhile, rural and township residents who don’t secure a kerbside collection are eligible for a hard waste and/or green waste voucher valued at \$75.

Five hundred vouchers will be available on a first-in-first-served basis to be redeemed at Springton Transfer Station, Eco Waste Solutions, the Yard Clean Up Man and KAND do it.

Vouchers are available for domestic waste only, with a range of waste materials accepted depending on the vendor.

Vouchers must be used by 15 December and, to make it a little easier, the Springton Transfer Station will be open extra days, including 26 October and 23 November.

Terms and conditions apply so please visit barossa.sa.gov.au/declutter-and-save
