Snippets

Did you know that just outside the gates to the Williamstown Queen Victoria Jubilee Park there is now a fourth addition to the collection of historical vehicles assembled there? A Forestry Crane now proudly sits in its own little yard next to the wonderful old wagon, the timber jinker and the steam engine.

Originally one of 7 cranes working in the Mount Crawford area between 1950 and 1970 the crane loaded logs for use in local and Adelaide mills.

It was donated by Ivan Smith, a community spirited local, and installed by the Williamstown Action Group and their many volunteers. L.L.

From The Pioneer Men's Group – "Our August Pioneer Men's Group meeting re scams and being introduced to our new Police Officer was very educational, enlightening and much appreciated!" J.K.

Did you know that the RSL Hall in Williamstown can be rented for private functions? Bookings can be made by ringing 85246396. A few Sundays ago, a large group of friends gathered there to wish Lyn and Glen Venning and Lorraine Wakeman a Very Happy Special Birthday, as this group of '49ers has collectively amassed a grand total of 225 years!! Congratulations, you Bright Young Things! L.L.

Did you know that, if the Williamstown Police Station itself is closed, all you need to do to contact our Policeman, Brevet Sergeant Ross White, is to ring the Williamstown Police Station Number, which is 85246288, and, if he is 'out and about' your call will be forwarded to his mobile number? Or call 131444. L.L.

Did you know that you can contribute to the Willy Wag Newsletter? You can do this by sending in any social information - like Happy Birthdays, Wedding or Funeral summaries, Congratulations or Thanks to Locals, news of Events or Historical Information.

New to the town? Perhaps you would like to tell your new Community about yourself? Maybe you enjoy creative writing – please share some of your work with us! Indeed, any local information of interest and good intent is welcome. L.L.

Did you notice that the wonderful 85-year-old Carob Tree from outside Violet's Pantry has been removed?

In the late 1980's, when the Queen Street road guttering was being constructed, a Council water truck hit the tree which possibly began the great split in the trunk that you could see right through, from one side to the other, and the accompanying rotting and weakening process.

Recent storms, and the unlucky clipping by a caravan, meant that, sadly, Council had no option but to take it out. The good news is, however, – that it is hoped the old tree will be replaced with a new carob tree, possibly from the Bush Gardens, in the very near future! L.L.

Speaking of Carob Trees – Did you know that Carob Pods, which are full of protein, used to be collected locally, back in the 1960's, and used by farmers as stock feed?

From the Primary School – In sync with our amazing Olympians, Williamstown Primary School has been extolling the excellent achievements of many of it's students in the areas of Determination, Bravery and Perseverance.

In addition, "Book Week", with the Theme of "Reading is Magic", has also been celebrated with the shared reading of The Children's Book Council of Australia's Shortlisted Books. The special week culminated on Friday 23rd with a wonderful Book Week Parade by Staff and Students in the School Hall, followed by Open Classrooms where the Students' Learning was on display for Families to see. L.L.

BAROSSA GOLDFIELDS OPEN DAY

SUNDAY 22nd

SEPTEMBER 2024

9:30 am – 3:00 pm

ENTRY: \$5:00 ADULT, \$3:00 CHILD, \$15:00 FAMILY.

Behind the Scenes with the Williamstown Amateur Players

Just recently I was fortunate enough to spend an hour in the company of our amazing Williamstown Amateur Players. When I arrived at the Institute Hall they were practising a scene from their up-coming pantomime, "Aladin Lost In Space", and it was such fun to watch.

There were more interruptions than actual lines being delivered as everyone worked on how best to present the story, where to stand, what to do with certain props, what feelings to emote, how their interactions with each other should evolve and what would work for the greatest comic effect!

Fortunately, the Director, from her viewing point in front of the stage, was able to make the final decisions on what would work best! But as a group they worked incredibly well together and there were lots of laughs, goodwill and supportive behaviour in evidence.

Established as a Fundraiser in 1981 by a group of Williamstown Primary School Parents who wished to purchase a fridge for the school, the Pantomime Ladies have continued to donate much of the money raised to Local Charities whilst operating themselves on a "shoestring budget."

Last year, Wirraminna Care Home was able to purchase a great outdoor setting for the residents due to the Ladies' donation. By making their own new costumes or adapting Previous ones, by collecting cardboard, boxes and 'bits and bobs', designing and creating their own scenery or borrowing props from their homes, the Ladies create the fairytale settings into which their wonderful performances transport us.

So good is their reputation that busloads come from places like Mannum, Outer Harbour, Woodside, Mount Pleasant and Greenock to experience the joy of pantomime - so we locals had better get in there quickly and buy our tickets because we don't want to miss out on a really fun filled experience!

As soon as this year's pantomime is finished, the scriptwriters, usually Sue and Margie will begin writing for next season's performance. Auditions or 'Read Throughs' will then be held and roles allocated, followed by the choosing of the songs and the beginning of the many, many rehearsals every Tuesday.

There are no understudies so the task of learning their lines and never failing to turn up, especially to performances, are top priorities. However, as you would expect from this creative, determined group improvisation is second nature to them! The ladies have a Morning Tea Break at each rehearsal during which many matters are discussed. It is also a time to check out the well-being of members in a friendly, caring and supportive environment.

Considering the time and effort that goes into these productions, even if they are laced with heaps of laughter and fun, I have the utmost admiration for this year's cast which comprises of Suzanne, The President and a member for 33 years; Sue, Vice President, Director and script writer; Dawn, Musical Director; Babs, Secretary, with her beautiful assistance labrador, Gully, who unbelievably slept through most of the goings on and didn't laugh once!; Chris, Treasurer; Joan, Publicity; Jill, Stage Manager and Committee Member; Margie, script writer; Doreen, Margaret, Janet, Allysha, (Suzanne's daughter), Brenda, Brianna and Erin; Michelle, (Sue's daughter) Front of House at Performances.

Most of the Players are of a mature age but there are a few young ones amongst them. I am positive that they would welcome, with open arms, any ladies, young or older, from around and about, who would like to join them in this community volunteer enterprise which brings pleasure to young and old alike!

Please ring Suzanne on 0422353898 or Sue on 85246502 if you are at all interested! As Babs put it, - "It's a time to be yourself, as someone else!" L.L.

Happy Fathers Day

Violet's Pantry

Jane Rowe is the lovely face behind Violet's Pantry on Queen Street, Williamstown.

Jane and her husband, Richard, moved onto 16 acres of land in the Mount Crawford area about 30 years ago.

Living in a shed and caravan on the property with their four children, Jane and Richard then set about building a home, literally, with their own hands.

Interestingly, they were reconstructing the dismantled Catholic manse from Birdwood which was already on the site. Although they moved into the house after about a year Jane says it is still – "a Work in Progress!", but it is in a beautiful spot and close to her place of work here in Williamstown".

For many years Jane has worked in the Hospitality Industry, from Café C in Springton to the Plush Group of Hotels where she was offered a TAFE Course and became a fully qualified chef. From there she went to the Novotel Resort for five years, became Head Chef at the Mount Pleasant Hotel and then wound up at Artisans of Barossa, in Tanunda.

Ready to run her own establishment by this stage, Jane checked out the Gawler Eatery's Landscape but found it unappealing.

Their loss is Williamstown's gain as, after discovering her current business site was available and spending a few months thinking deeply about the whole scheme, Jane launched 'Violet's Pantry'!

And where did the name come from? Well, apparently, it just presented itself one day, from who knows where, while Jane was washing the dishes at home!!!

Jane believes country people should not have to go to the city to find something different in the way of food.

Open for Breakfast, Brunch and Lunch and great coffee from 'Mighty Mighty Coffee' in Lobethal all the time.

Jane is assisted for four days each week by local lady Linda Miels who was "picked up", so the story goes, by Jane in the local Op Shop, that Little Shop of Treasures!!

All the food in Violet's is house made, from cakes and scones to toasted gourmet sandwiches, or it is locally sourced.

On a Thursday, Jane imports Gluten Free and Vegan treats from Clara's Cakes in Lobethal.

On Saturday mornings, fresh sour dough loaves from Breaking Bread at Angaston are available for purchase. Open Wednesday through to Sunday from 8am until 3pm ish, Violet's Pantry provides a calm, friendly environment in which to meet friends, strike up conversations with acquaintances or strangers at the next tables, or even to hold small meetings.

See you there! L.L.

WHERE ARE YOU?

When I moved to Williamstown just under two years ago, the first thing I noticed was the friendliness of the town and how ready people were to assist you in integrating into this beautiful little community.

Knowing very few people in the area we checked out 'The Wagtail' and Facebook pages to see what was happening in the way of Clubs and Groups that we could join as well. These were a fantastic introduction.

One of the things that I noticed on local Facebook pages was the way the local community expressed their opinions and when I went to my first public meeting about the proposed community supermarket, I was blown away by the community interest and support.

It's therefore been a huge shock to go to Williamstown Action Group Meetings (WAG) and see the same very few faces each month. Yep, I acknowledge that so many people work and that their work involves a fair bit of travel but where are you when it comes to telling us what you want at these once a month meetings? It doesn't take a heap of time and let's face it, there's nothing on Tele.

We want to see some younger people come to the WAG meetings so that we can have a wider representation, and let's face it ... nobody is getting any younger.

So - Where are you? Can you contribute a couple of hours perhaps once a month.

If you can join us, we meet on the first Monday of the month at 7.00pm up stairs in the Williamstown Hall. Hope to see ya there.

NEXT MEETING 7PM MONDAY 2nd SEPTEMBER.

FOLLOWING MEETING 7PM MONDAY 14th OCTOBER due to Public Holiday.

End of an Era

The Last Games of Football and Netball at the Williamstown Oval.

Saturday the 24th of August 2024 was a day of many mixed feelings for everyone associated with our local community football and netball club, the mighty Barossa Bulldogs.

The day dawned with a typical football/netball morning mist shrouding the oval and causing a group of our Freeling visitors, our opponents for the day, fresh from their hometown sunshine, to groan as they saw that all too familiar white scene before them. The mist cleared quickly, the matches began, and the competition was fierce.

Everyone put in their best effort to do their Club proud. Our Netball Girls sported specially designed, eye-catching T-shirts, while our A and B Grade footballers each wore a heritage Guernsey.

Unfortunately, our Freeling visitors put in their best effort also and, although they did their very best, our U13, U15 and Reserves football teams were all beaten. This meant that Freeling won the much valued 'Ike Cup', having won three of the five matches!

On the Netball courts play was just as intense with some quite close matches eventuating. Our Sub Junior 1, our Junior 1 and our Inter 2 all scored wins for us while Freeling went home with wins in the other 8 matches.

Despite this, Netball was buzzing, as indeed the whole of Queen Victoria Jubilee Park was. There was almost a Carnival atmosphere, players from years gone by catching up with everyone; current U17's, playing at Central Districts, were back for the day supporting their Home Team as Drink Runners; sponsors, our Women's Football Teams, our Junior football teams were all represented and formed part of a wonderful, enthusiastic, record-breaking crowd!

At the A Grade Half Time, our U11's and our U9's entertained the noisy, appreciative crowd with short matches.

I made a complete nuisance of myself on the day by randomly approaching Club Members and Spectators and indeed, even Freeling visitors, to ask how they were feeling on this last day of play at the Williamstown Oval and how they felt about the big move to the brand new complex at Lyndoch. The two questions merged but the overall feeling was that the move would be a really good thing!

Many said that our Netball/Football Facilities here were old and tired, that we had outgrown them, and, with no room for expansion, the new Facilities at Lyndoch were offering our Club a much more suitable and exciting venue with more opportunities and new experiences for the players. One spectator commented that a rumoured upgrade had been on the cards for 20 odd years, so for many of us, it is an exciting culmination to years of hoping and dreaming, while for others it has been years of planning, effort and time volunteered.

One volunteer is particularly looking forward to better BBQing Facilities – and it is things like this that we are also hoping to see improvements in. Parking was a concern for many who hoped the planners had taken into consideration the needs of a Rural Community with ample parking around the ovals, a country tradition!

For Netball – any parking has to be better than what they have now!

When asked, most of our young players admitted to being very excited about the upgrade. As one U15 player put it, "we'll feel more a part of The Valley and be closer to the other Clubs!" The quote of the day, however, must go to the young gentleman player who, when asked how he felt about leaving Williamstown, said that although "It's not great it's our little shithole!" Apologies to anyone who takes offence, but I thought it summed up the community spirit and loyalty that our young people have towards their club and their town.

End of an Era (cont)

Waiting by the fence, supporting the U15's play, the U17's team consensus was that, Although our Williamstown Grounds will be missed, it will be for the best and that bigger and better things are coming!
After all, as one of them said, we are "The Best Club!"

Many people felt that the setting for our Club was really picturesque, and we certainly won't have the stately pines and the grand old hill behind the clubrooms in our new location. As one parent pointed out, "That Hill has babysat generations of our younger children!" It remains to be seen what our new grounds can offer to replace this!!

After the A Grade Match, Presentations and Mayor Bim Lange's speech, after the huge photo was taken of everyone present who had had any role to play in the Club over the years, after most of the participants had gone home, many still lingered, socialising well into the night and reminiscing about past triumphs, friendships made and "Club Characters"!

Although the Williamstown Queen Victoria Jubilee Park may not hear too many sirens, whistles, roaring crowds and thundering feet on its netball courts and grassy, footy oval in the future, these fixtures will hopefully remain to continue use as the second cricket oval for the Sandy Creek Cricket Club and, for at least next season, the shouts and thumps of our Lyndoch (Williamstown) Little Athletics Club will awaken the now silent grounds.

Jodie Grantham, President of the Netball Club, feels that the new venue will make us more of a unified club, that it will be the best regional grounds in South Australia, a Great Sporting Ground. "Why wouldn't you want to be a part of that? It's going to be brilliant!"

In conclusion, Jason Thiele, Football President, said, "While it is sad to be leaving Williamstown which holds so many memories for so many people, the move to new facilities at Lyndoch is very exciting and provides the community with an amazing facility. An amazing venue for the future!" L.L.

Hi Williamstown,

It will soon be October and our first show Friday 11th Oct at 7.30, a little bit earlier.

We are all excited to get back on stage and everything is going well.

We also have new members Janet and Erin and a lovely young lady helping us, Brianna. They have all fitted in very well and can't wait to perform on stage.

I thought I would give you some information on what Pantomime is all about.

Pantomime is a theatrical performance which differs from traditional theatre in many ways - It's aimed at children and adults; stand out characteristics include gender role reversal; story of good and evil; slapstick comedy; colourful and eccentric costumes; audience participation; derived from a fairytale.

So come and enjoy the fun, we love to see you all.

We are a non-profit organisation and give to charity and support local communities.

**Williamstown Amateur Players Inc

SOUTHERN BAROSSA MEN'S SHED

The Southern Barossa Mens Shed has expressed its condolences to the family of Tim Donnellan who passed away recently. Tim was a well-respected and liked member of our group who regularly attended the Shed and had done so for some years. We will all miss our chats with Tim and the considerable efforts that he put into helping make our Shed the happy and productive place that it is. May Tim Rest In Peace.

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Mens Shed (S.B.M.S) extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well-equipped workshop. If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or home-wares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. Projects and activities are also undertaken which benefit the community.

Men with an interest in the activities of the S.B.M.S. are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

Supermarket...questions are still being asked, "Are we getting a Supermarket?" **Well yes we are.** The latest report states

"we are close to the end.

Anticipate tender documents and engineering to be finalised and ready for review by the end of August.

Once finalised, tenders will be called and that is about an 8 week process. This would be heading toward the end of November.

With scheduling and builders Christmas break it is suspected that building may start early 2025."

Yes, it is coming and we commend Klose's in their diligence to bring this to us.

Williamstown Post Office is getting involved in the 2024

Liptember Fundraiser

For the month of September, we are wearing bright and bold lipply to raise awareness and money for women's mental health. The money we raise during the month of September will go towards improving the lives of the 54% of women who experience some form of mental health illness in Australia.

As a team we would love to see this staggering number reduced and women Australia wide to easily access the help they need.

So, if you can please help us support Australian women everywhere, we would be grateful.

To donate please scan the QR code or you could come visit us at the post office to donate and buy a raffle ticket.
