This monthly newsletter is put together and distributed by volunteers from the Lyndoch Community Committee, under the umbrella of the Southern Barossa Alliance.

We are an inclusive group of locals who passionately love our region and work together to make the Southern Barossa a great place to live. As we're all volunteering in our valuable spare time, we recognise that it should also be a fun way to meet other like minded people in our community.

If you're interested, email or phone the editor or come along and say hi at the Lyndoch Community Market Sausage Sizzle on 8th February.

Also, don't forget to checkout our website, southernbarossa.com.

## SOUTHERN BAROSSA MEN'S SHED

The jolly fellows of the Southern Barossa Men's Shed would like to wish everyone a Happy New Year for 2025.

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The SBMS extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop. If you are

curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members.

Projects and activities are also undertaken which benefit the community.

The SBMS shed is located at the rear of the Wirraminna Care Little Shop of Treasures on Queen Street, Williamstown.

**Any enquiries relating to the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.**

## LYNDOCH HISTORICAL SOCIETY

The Historical Society's first meeting for the year was arranged for Sunday 2nd

February at 2.00 p.m. in the meeting room at the rear of the Lyndoch Library. The topic chosen for the occasion was the history of the Chapel that opened in 1850 and its versatility as it is still currently in use. It has served a

number of purposes over its 175 years. Unfortunately it was refused heritage listing as alterations had been made to the original building.

The building has been known as the following:

Chapel of The Independents	1850
Lyndoch Baptist Chapel	1859
St Jakobi Church & School	1867
St Jakobi Lutheran School	1914
St Jakobi Lutheran School (Reopened)	1935
Currently still part of the St Jakobi Education Complex	

Recently the name Tweedy/Tweedie (can have either spelling) appeared in relation to a local development in the currently named Tweedies Gully area. In 1883 Mt Crawford Council minutes referred to putting a ford at Tweedies Gully.

In the 1860s Lyndoch had a Volunteer Rifle Company and engaged in shooting competitions with groups in other towns.

The SA Register listed the names of the rifle company volunteers in its publication. Members of the Lyndoch Rifle Company were as follows:-

Captain – Winton, T.	Private – Denton, C.	Private – McDonald, C.
Lieutenant – Siems, H.	Haines G.	Potter, E.
Sergeant – Randall, Wm.	Hipwell, Wm.T.	Randall, F.
Corporal – Springbett, J.	Johns, W.H.	Rice, A.
Private – Brock, F.	Lawes, H.	Richter, Louis
Butterfield, A.	Milgate, T.	Tepper, O.
Button, J.	Martin, A.	Tweedy, J.
	Winton, A.	

## VOLUNTEER RIFLE SHOOTING MATCHES

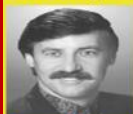

The Volunteer Rifle members were actively involved in practising their shooting ability should it be needed in a conflict situation. The following report indicates how dedicated they were.

*The day fixed for a match between the First Gawler Rifles and the Lyndoch volunteers – it rained incessantly, a constant steady, determined rain. But, notwithstanding this, the whole of the previously arranged programme was adhered to. The volunteers had their match, although the rain was so obstructive as to render it difficult to keep the scores. The match was not completed until evening and resulted in the Lyndoch Company beating their opponents by 20 points.*

*Ten miles through soaking rain one company went to the rendezvous, and for five hours two companies stood in pelting rain, shivering and shaking – loading and firing – daring death (from colds) and pouring their destructive fire (upon an iron target) in all manner of position. In vain the whitening was spread upon the target, the remorseless rain came down in bucketfuls and before the first bullet reached its destination, a black patch on the side of the hill seen through the glitter of raindrops was all that could be made out, the result was as usual, the Lyndochs 22 ahead of the first Gawlers. The return of the squads to Lyndoch from the firing ground was a sight worth seeing. The creek had risen considerably and the daring adventures of the gallant warriors in crossing it were worthy of a better chronicle than the columns of a monthly paper. The gallant army on reaching the township stormed the stores for dry clothing and marched straight to the warmest quarters of the Lord Lyndoch, namely the kitchen fire.*

Results of the Lyndoch Volunteer Company's rifle match against Angaston was forwarded to The SA Register in August 1861. A more favourable day for the event could not have been chosen. The target is placed on a beautiful slope below a limited range forming part of the boundary of the valley proper, about one mile and a quarter east of the township. The presence of a considerable number of youth and beauty of the valley added a grace to the scene and doubtless inspired the hearts of some of our gallant volunteers ... the Angaston Company came off victors by three points only. [Scores: Lyndoch 159, Angaston 162] ... At the conclusion of the firing the competitors assembled at the Lord Lyndoch Hotel, and with vigorous appetite and hearty good humour, demolished a substantial dinner, provided at the expense of the losers. After dinner the company enjoyed an extremely social evening, Captain Winton and Lieutenant Siems respectively occupying the chair and vice chair ... 'The Health of the Hostess' and 'The Song of Australia' by Mr Siems closed the proceedings at 8 o'clock, all present having thoroughly enjoyed themselves. The Angaston band enlivened the evening conducting much to its pleasure.

## **Gather Round delivers economic opportunities**

Regional businesses and organisations have a unique opportunity to capitalise on the economic benefits of Gather Round in partnership with The Barossa Council.

Council has launched a Sponsorship Prospectus inviting expressions of interest from the business and local community to be affiliated with the Barossa's inaugural Gather Round - A Festival of Footy.

Council will activate two key events during the Festival, a Barossa Food and Wine Village in Tanunda on 12 April and a Picnic in the Park at Tanunda Recreation Park on 13 April to coincide with two big AFL games occurring at Barossa Park.

Eligible sponsors can choose from a gold, silver or bronze package to leverage the influx of 20,000 visitors into the region over the weekend.

Barossa Mayor Bim Lange says it's an amazing opportunity for brand-aligned businesses and organisations to maximise their

## *On the Grapevine*

profile and product through event sponsorship, whilst supporting Council to amplify our Festival of Footy event offerings.

"Our aim is to create an unforgettable Festival of Footy, reinforcing the Barossa's reputation as a premier destination for events and experiences," Mayor Lange says.

"We know the 2024 Gather Round achieved a \$90 million economic contribution to the State, and interstate visitors represented 33 per cent of game attendances.

"Thanks to our joint investment with the State Government in the new \$45.7 million Barossa Park, we are uniquely positioned to leverage this visitor stay and spending.

"We encourage interested parties to apply and come on this exciting journey with us."

Expressions of Interest close 21 February. For more information visit [barossa.sa.gov.au/community-and-wellbeing/events/gather-round](https://barossa.sa.gov.au/community-and-wellbeing/events/gather-round)

# Justice of the Peace Service

## Lyndoch Library

**Every Saturday 10am-11.30am**

This February will mark the third anniversary of the establishment of a Justice of the Peace service at the Lyndoch Library.

Since inception nearly 300 local residents have utilised the service and the JP's, with pens at the ready, have signed and dealt with almost 600 documents.

The service commenced in February 2022, as a result of positive community feedback, that identified a need to have a dedicated regular service, rather than have people trying to find a JP at short notice. It also means locals don't need to make the trek to Nuriootpa or Gawler on busy Saturday mornings.

If you need documents witnessed, copies certified, identity verified, our JP's are happy to help. The service is free and no appointment is required.

Initially starting with one JP, the service grew to two, then three and towards the end of 2024 a fourth JP joined, ensuring continuity of service, each Saturday morning at the Lyndoch Library (rear meeting room) from 10am-11.30 am. If you need a JP, urgently, at other times an internet search for "JP in SA" will point you in the right direction.

The community is fortunate to have Heather Bitter JP, Colin Davies JP, Dennis Traeger JP and Andrew Porter JP volunteer their time and skills to provide this service.

# BAROSSA 4WD CLUB

By Elizabeth Black

The Barossa 4 Wheel Drive Club started the year with a visit from the Lyndoch CFS at their January meeting.

Shane showing us the different types of extinguishers

The captain spoke about the care, servicing and maintenance of fire extinguishers, showing us the different types of extinguishers and explaining the types of fires each is used on. As 4WD club members we all should carry an extinguisher in our vehicles so we were informed which type of extinguisher to carry, for the best results if there was a car fire. This was followed by demonstrations on how to use them correctly with some members having a go with a water extinguisher.

Kirsty (4WDClub ) President having a go with a fire extinguisher

Next we were shown the correct way to use a fire blanket, helpful at home or in the caravan/camper while on holidays. When using a fire blanket make sure it is held in a way that your hands are behind the blanket, and you approach the fire with the blanket hanging down in front of you so that your body is also protected.

Shane Emms, Captain of the CFS talking to club members

Lastly the members had a chance to have a look over the fire appliances, and were shown the type of equipment that is carried. They are able to help in a lot of situations.

We would like to thank the Lyndoch CFS members that came. And helped with the demonstrations.

**The Barossa 4WD club meets at Lyndoch on the second Wednesday of the month in the meeting room behind the library at 7.30.**

## Sandy Creek Nativity Service 2024

Sandy Creek Uniting Church was well filled for the annual “unrehearsed” nativity carols evening on Sunday 15 December. And unrehearsed it was, due to the very hot temperature of 37 degrees at 7pm. Instead of being held in the Bush Chapel, the congregation decided to hold it in the church.

Dr David Taplin took the lead in place of Rev Josh Scherer who was unwell. Dr Taplin narrated the story of the birth of Jesus, while suitably costumed participants acted the story in more cramped conditions than usual.

The change of venue didn’t dampen the enthusiasm of those attending who enjoyed singing the Christmas carols and watching the play.

Sing Australia, conducted by Jan Abel, were in good voice, singing “Jerusalem” and “Mary’s Boy Child.”

Rev Brian Polkinghorne spoke of his work in Tanzania, along with his wife Jill, partly funded by The Christmas Bowl Appeal. In 1974 Brian was given the task of setting up a chicken hatchery on a large scale in Tanzania. Brian and Jill have recently returned from Melbourne where Brian spoke at the celebration of the 75<sup>th</sup> anniversary of the Christmas Bowl Appeal. An offering was taken to support this appeal.

After the service, supper was served in the hall. Although it was a hot night, everyone enjoyed the experience of coming together singing carols and celebrating the nativity story.
