**Did you know how much goes on behind the scenes when putting on a community event?**

Planning starts months beforehand with a gathering of interested volunteers and an initial concept plan. Before long its time to start the risk planning and arranging the various insurances, licences and permits that are required.

Having entertainment? How is that funded and what equipment is required? Is anyone going to come? Marketing is important. Do we have enough volunteers to run the event?

The next large community event is **The Great Vintage Picnic on 27th April**. Watch for details in the April Grapevine and the Sthn Barossa Alliance Facebook page!

To add to the enjoyment of the finale of this year's Barossa Vintage Festival, there will be a number of sporting events taking place during the day on the Village Green.

These include Sack Racing, Egg and Spoon Races, Three Legged Races, Gumboot Throwing, Tug-O-War and Barrel Racing.

Everyone is invited regardless of shoe size! To make it even better fun, we would like to see a

number of local teams competing. These teams could come from sporting clubs, other clubs, (eg how about GM vs Ford?) local businesses or any interested groups. We suggest 5-6 people per team.

For further info or to register an interest, please contact Peter Henshaw on 0484 528 090.

We hope to have some prizes, but this will depend on some generous benefactors coming forward.

We are also looking for a few responsible, fun loving volunteers to help on the day. You may get to blow a whistle or use a megaphone!

Please contact Peter if interested.

## LYNDOCH HISTORICAL SOCIETY

With 2025 being a Vintage Festival year it is nearly fifty years since Lyndoch's participation in the "Gemutlichkeit". It was in 1977 when Lyndoch finally became an integral part of the Festival with their own event on their own ground at the Lyndoch Recreation Park. It took the form of a carnival on the Easter Monday 11th April 1977.

A Lyndoch Branch Meeting was called which was well attended and those present formed the committee to organise the event. Heinz Baument is credited with coming up with the name "Gemutlichkeit" with a translation of "people gathered together enjoying themselves" as well as the difficulty with the word's pronunciation.

Being blessed with a beautiful sunny day people turned up in their thousands. Unfortunately the crowd converged on the Lyndoch Park prior to the commencement with many climbing over the fence and avoiding payment of \$1.50 Adults and 50c per child. There was a variety of food stalls and entertainment and a "Bike-a-thon" from Nuriootpa to Lyndoch was a further feature. The gate takings went to the Festival Association and the stall proceeds to the participating community groups.

# SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Men's Shed extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop. If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys, mending and fixing motors, reno-

vating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members.

Projects and activities are also undertaken which benefit the community.

**Just a reminder that the AGM will be held on Wednesday, 26<sup>th</sup> March, at 11am and it will be followed by a BBQ.**

The SBMS shed is located at the rear of the Wirraminna Care Little Shop of Treasures on Queen Street, Williamstown.

**Any enquiries relating to the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.**

# FOREST FROLIC 2025

Over one hundred people enjoyed the sixth biennial Wirraminna Care Forest Frolic dinner dance held under the stars at Wirreanda farm at Mount Crawford last Saturday evening. The incredible Wirraminna volunteers transformed the sheep yards of Kate and Dave Thornstein's farm into a glittering, formal dining, dancing, socialising experience among pine trees, with hundreds of fairy lights, beautiful table settings and a huge dance floor.

Local band "Acoustic Echo" kept the dance floor full until late into the night, everyone enjoyed the sumptuous three course meals provided by Wirraminna staff and volunteers, incredible wines do-

nated by ten local wineries and the witty auction run by long time volunteer Doug Jones. The night's events were captured by volunteer photographer Jemma Snap from That Photography who is also a Wirraminna Carer. A highlight of this year was having a group of people staying overnight in ten caravans and enjoying a communal recovery breakfast on Sunday morning. Over \$6,800 has been raised

It was Lisa Manning , the Wirraminna Care General Managers first Forest Frolic, and how she was about the level of Community support and thanked everyone for ensuring this key fundraising event was so successful and fun.

## Disability Parking

**Perhaps the most regulated piece of bitumen in Australia – in a good way.**

We all know these bays are designated for vehicles displaying a permit in the windscreen. These bays and the permits are easily identified with the International Symbol of Access (ISA), which consist of a blue square overlaid in white with a stylised image of a person in a wheelchair. Find the designated space, display the permit in the windscreen and the vehicle can use the bay. Done. Well, so you would think.

Generally, they are a little wider to allow for the disabled person to have enough space to access the vehicle.

Some disabled bays have painted yellow chevron lines next to them. Seen them? What are they were about? These spaces allow room for a person with a disability to access the side of their vehicle. They are a “no parking zone” for every one – even motor cycles!!!! There is also usually a dip in the kerb near the disabled bay so that a wheelchair can get up on to the footpath.

The bays are also located close to the entry of a venue (shopping centre, school, sports stadium etc.). The benefit is people can get in and out of a car or van safely and off the road and out of harm’s way in busy car parks.

Is it ever ok to have a permit displayed in a vehicle and use a disabled parking bay yet the disabled person is not present? No. It would be disappointing that someone would take advantage of the permit when they don’t

need the space, as it takes away access for someone else with a disability who could need it.

We should never assume though. Consider a situation where a healthy looking abled bodied, ambulant person returns alone to their car.....have they just dropped off someone who needed the space and helped them into the shops or Doctors rooms?

In South Australia, the time limit for a disabled parking bay is the time indicated on the sign, plus additional time if the permit holder has a disability parking permit.

Time limit for a disability parking permit holder

- Less than 30 minutes: Park for 30 minutes
  - 30 minutes to 1 hour: Park for 2 hours
- More than 1 hour: Park for twice the time indicated on the sign.

Permit holders can park in metered or ticket parking spaces at no charge in on-street parking areas within Adelaide city or North Adelaide. The time extensions detailed above will be granted.

Another fun fact is that thanks to Section 117 of the Australian Constitution (Protection against discrimination based on state of residency), a South Australian issued disability parking permit is valid in every other state in Australia.
