## SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years.

The Southern Barossa Men's Shed extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop. If you are cu-

rious to try new things someone is always on hand to help out. Making or repairing furniture or home-ware or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members.

Projects and activities are also undertaken which benefit the community. The SBMS shed is located at the rear of the Wirraminna Care Little Shop of Treasures on Queen Street, Williamstown.

**Any enquiries relating to the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.**

## ACCESS & IDENTIFICATION TO YOUR PROPERTY

Time can make all the difference to saving lives, and a four to five minute delay in locating your property could result in a different outcome. Walk out the front of your home and see how easy it would be to find your home in an Emergency – especially at night.

Sometimes numbers to properties have been broken, damaged or sun bleached and are easily forgotten because YOU know where you live.... but do Emergency Responders?

So, read the following questions and if you answer 'NO', then it's time to make changes to ensure Emergency Services can find your property and gain access, if needed.

- Does your home display a clear number on the street to identify your home. **Y / N**
- Are the tree limbs and shrubs cut back enough to allow a Fire Appliance or Ambulance through to your home. **Y / N**

## SLOW DOWN TO 25 KM/H EMERGENCY VEHICLES & ROADSIDE SERVICE VEHICLES

On 19<sup>th</sup> May 2025 the new Road Law came into effect that all vehicles must slow down to 25km/h when passing ANY roadside service vehicles with a flashing amber (orange) light.

Vehicles such as stationary tow trucks, roadside breakdowns and even Lyndoch's very own Wildlife Rescue Crews working to recover injured wildlife. Think of other's safety when you see the flashing amber light - just slow down to 25km/h.

**Penalties apply for exceeding 25km/h for the following:**

- Emergency Vehicles with 'Red and Blue' lights flashing.
- Stationary Service Vehicles with 'Amber' lights flashing.

## CONTINUOUS TRAINING FOR A SAFER COMMUNITY

Well done to all the CFS members who have attended courses over the last six months to increase their skill level, being Basic Firefighting, Tactical Command, Road Crash Rescue, Defensive Fire Suppression, Pumps and Pumping, First Aid and Advanced Resus.

Professional volunteers dedicating many hours to keep the Community Safe 24 / 7
