Introducing the 2025 “20 Metre Trees” South Australian Tree of the Year!

# Colonel Light's Tree

Located on Barossa Valley Way, near Keis Family Wines, the tree is 7m in diameter and is thought to be in the region of 700 years old.

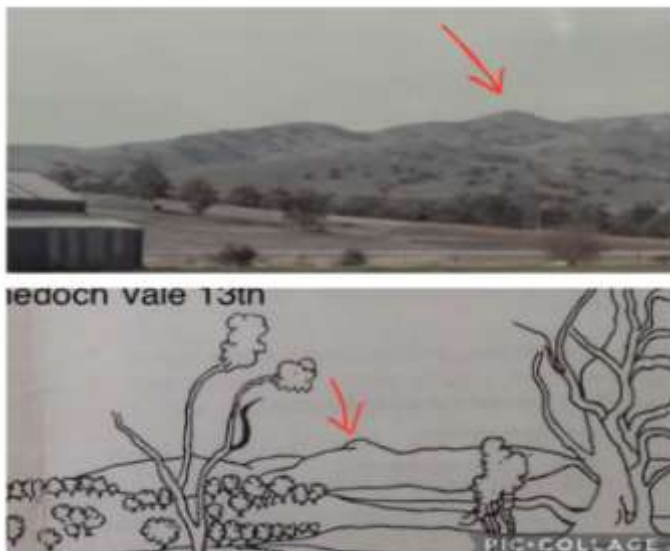

The tree features in sketchings of Colonel William Light, originally in December 1837 when he surveyed the area. Whilst camped here, Colonel Light was reminded of the geography of the location of the Battle of Barrosa in Spain, where he took part in the Peninsular War of 1811.

The Colonel Light Tree is currently not protected by heritage listing. The push to have the tree recognised on state heritage lists has garnered renewed enthusiasm since the nomination and award-

ing of the South Australian Tree of the Year.

The Lyndoch Historical Society (in particular Ann Hausler), Reuben Batten) and Kim Micheltmore were instrumental in raising awareness of the need for protection and recognition of our beloved tree.

Serendipitously, Reuben Batten joined Kies Family Wines and when shown Colonel William Light's sketch to the hill line in a photograph of the Keis cellar door from 1984, it is unquestionably the same location. With that new evidence, movement is afoot to reapply for heritage listing of the 2025 South Australian Tree of the Year.

# Become a Dementia Friend

'Dementia Friends' is part of the Dementia-Friendly Communities program from Dementia Australia. It aims to transform the way we all think, act and talk about dementia.

Being a Dementia Friend can start with small, everyday acts of support and understanding. These small acts can make a big difference in the lives of people living with dementia.

## **The session aims to:**

- give an insight into the impact dementia can have on people
- explain how a dementia-friendly community is created
- prompt you to consider changes you can make to become more dementia-friendly.

**Attend a free local information and awareness session.**

**Who can attend:** Anyone interested in becoming a Dementia Friend

**When:** Tuesday August 19th 2025

**Where:** Williamstown RSL Hall  
Memorial Drive

**Cost:** Free

The Dementia Friends initiative is delivered as part of Dementia Australia's Dementia-Friendly Communities program. Dementia Friends sessions are hosted by your community volunteers who do not represent Dementia Australia in a corporate capacity.

# SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years.

The Southern Barossa Men's Shed extends a welcome to men from all walks of life to attend our Shed.

Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop. If you are curious to try new things someone

is always on hand to help out. Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members.

Projects and activities are also undertaken which benefit the community.

The SBMS shed is located at the rear of the Wirraminna Care Little Shop of Treasures on Queen Street, Williamstown.

**Any enquiries relating to the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937**

## Tour Town Under returns to Tanunda

For the third year running, Tanunda will “feel the rush” of the Santos Tour Down Under (TDU), with the town again hosting a start and finish on 21 January, 2026.

Stage 1 of the Santos Tour Down Under Men’s Race will see riders tackle 120.6 kilometres through the region, offering plenty of vantage points for spectators to enjoy the action along the way, includ-

ing a Ziptrak® Sprint past Lyndoch’s famed Barossa Park.

“The Barossa has been an integral part of the Santos Tour Down Under since its inception, so we are naturally delighted to be going back there again in January,” Race Director Stuart O’Grady said.

“The race goes out past Lyndoch and the Barossa Park which is a great addition to the state and used for Gather Round this year. Then riders come back through Tanunda for the more traditional circuit through Angaston and the back of Mengler’s Hill where they’ll do three laps before the finish.”

# LYNDOCH HISTORICAL SOCIETY

The next meeting of the Lyndoch Historical Society will be held on Sunday 3rd August at 2.00 p.m. in the Meeting Room at the rear of the Lyndoch Library. Continuing the World War theme the topic will revert back 80 years to 1945 when WWII ended and how the community responded.

Looking at tree planting in Lyndoch over the years, it seems Arbor Days were celebrated annually by schools with this occurring in Lyndoch. This meant that it fell mainly to the juvenile residents to do the tree planting to beautify their town. A newspaper article suggests the first Arbor Day was held in July 1906.

Arbor Day was celebrated at Lyndoch for the first time when sixty pine trees were planted around the oval on the Lyndoch Recreation Ground by the children attending the State school. The scholars were instructed by the head teacher concerning the planting of the trees during the morning at school. Planting commenced at 2.p.m. when holes were dug by volunteers and the committee. Stakes and wire-netting guards were erected. A few of the public attended, but most of the work fell on the ground committee. The children were provided with refreshments by the committee and their teacher. Mr Klauber, a member of the committee, has promised to plough a ring for a bicycle track, inside the pine row, and in a few years the ground should be a very pretty one. [The Bunyip 20.7.1906]

*Arbor Day 1910 Pine trees planted by school children at the Lyndoch oval on Arbor Days  
(Photo c 1950s)*

The following year on Friday afternoon 2nd August, Arbor Day was celebrated by the children of the public school. After assembling at the school the children were marched by the head teacher (Mr M.H. Thiele) to the Recreation Park where a large number of pines were planted. The park committee rendered valuable assistance by preparing the ground and erecting guards around the young trees. At the conclusion of the planting the children were regaled with oranges, presented by Mr F.K. Warren. [The Bunyip 7.8.1907]

For Arbor Day 1910 a few trees were planted in the cemetery and Recreation Park and eighteen Remarkable pines around the new Institute grounds, a half acre block – absolutely the most valuable in town – offered by the South Australian Company. [The Bunyip 29.7.1910]

# **PRESERVE AND PROTECT BAROSSA!**

**SAY NO TO THE SOUTHERN BAROSSA TOURISM ACCOMMODATION PROJECT**

Property developer Strategic Alliance and Commercial Pty Ltd has proposed a large-scale tourist accommodation project on Lot 102 Hoffnungsthal Road, Lyndoch on rural land in the Character Preservation District and Significant Landscape Protection overlay which preserve Barossa's special character and protect significant landscapes from inappropriate development. It's referred to in the media as The InterContinental Barossa Resort & Spa.

- It's HUGE! Nearly 14,000m<sup>2</sup>, 20m high and 235m long (Adelaide Oval is 167m long)
- Within 15km of Barossa Park, Lyndoch, there are already three specifically zoned areas deemed suitable for large-scale luxury tourist accommodation projects.
  - Château Tanunda
  - Novotel Barossa Valley Resort, Rowland Flat. 140 rooms. 120 hectares more land.
  - Seppeltsfield (Oscar), 71 rooms.
- Nexus Barossa (Yaldara Drive, Lyndoch) is an approved 124 room development.
- The proposed Sandy Creek Resort at the golf club, is 81 suites and 21 villas.
- The Supreme Court of South Australia has ruled that a resort in Barossa's Rural Zone must NOT be approved (Geber Super Pty Ltd v The Barossa Assessment Panel).
- If the developers followed the usual route through the Barossa Council their application would have been refused due to the Supreme Court ruling. Instead, they sought an alternative pathway, and their proposal has been elevated to ministerial determination.
- So, we ask the Hon. Nick Champion MP, Minister for Planning to preserve and protect Barossa and say NO to the Southern Barossa tourism accommodation project NOW.
