Delivering Concordia's future

The Barossa Council has welcomed the State Government's finalization of the Code Amendment for the Concordia Growth Area, which includes the release of the Concept Plan and details on the Concordia Basic Infrastructure Scheme.

This development is expected to provide 12,000 new homes and accommodate up to 30,000 residents over the next 30 years. Mayor Bim Lange praised the Malinauskas Government's proactive planning approach, ensuring essential infrastructure is planned

On the Grapevine

and funded alongside development.

The Council has collaborated extensively with stakeholders to plan for critical community and social infrastructure, such as recreation, cultural, and sporting facilities, complementing the State's infrastructure plans for education and emergency services.

The project also includes shared path networks and multiple precincts to enhance liveability. Rezoning the land is part of the Premier's Housing Roadmap, with work expected to begin by 2027 and the first homes constructed by 2029.

The New Season at Little Athletics!

Registrations for the next season at Lyndoch & Districts Little Athletics Centre are now open!

Lyndoch and Districts Little Athletics Centre (LADLAC) welcomes children and young people, aged 3 – 17 years old, to develop skills, learn new ones and to have fun in a positive, family-friendly setting.

The next season starts on 18 October 2025 at 5.30 pm. You can register via the link on the LADLAC website:

www.ladlac.com.au.

Our Little Athletics centre is run entirely by volunteers and parents are asked to get involved in a variety of ways:

chaperoning their kids through the

events in age groups;
a couple of sessions in the canteen;
helping to setup or pack down;
or even joining the committee.

No experience is necessary, there are always committee members and other volunteer parents around to help.

LADLAC also participates in the SA government Sports Vouchers scheme.

Children between the ages of 3 to 17, no matter what skill level, are welcome to participate and have fun at the Lyndoch and District Little Athletics Centre.

Weekly meets will be held on Friday nights from 5.30 pm – 7.30 pm at Barossa Park, Lyndoch.

LYNDOCH HISTORICAL SOCIETY

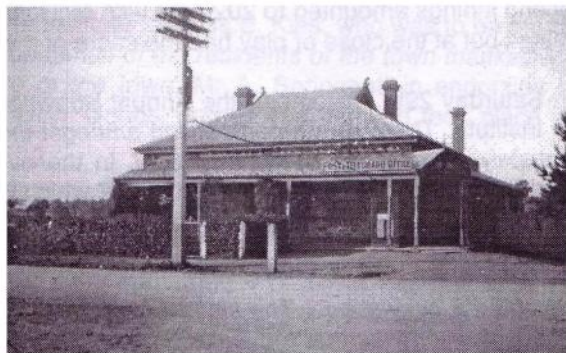

The Next meeting of the Historical Society will be held on Sunday 26th October at 2.00 p.m. in the meeting room at the rear of the Lyndoch Library.

The topic is turning the clock back one hundred years to 1925 to gain an idea of what the local community was experiencing at the time. The residents at that time were dealing with the technology of wireless broadcasts and a continuous telephone service.

Miss Isobel Barkley's Morris Cowley car

The district, even then, was concerned with the issue of funding the Health System. Towards the end of the year a Gawler Charity Carnival was held to raise funds for the benefit of the Hutchinson Hospital and the Gawler Branch of the district Trained Nursing Society. Lyndoch's contribution was due to the effort of Miss Barkley, the popular postmistress who secured the cooperation and assistance of residents in the establishment of an afternoon tea table that raised £9/13/6 and also personally collected £24 towards the appeal.

The Bunyip in December included a report that the continuous telephone service had been established at the Lyndoch Exchange, and is proving a boon to subscribers and public generally.

Sandy Creek Uniting Church

Wildflower Walk

Geoff Graetz

The Sandy Creek Uniting Church wildflower walk was enjoyed by about 20 people on Thursday, September 25th.

On a sunny afternoon the walk began with a welcome in the church at which Leonie Hobbs, a volunteer at Para Wirra and Sandy Creek Conservation Parks spoke about a prescribed burn held last November. She explained that, after careful assessment, prescribed burns were held to reduce undergrowth. They are "quick and cool" but there could be some impact on the wildflowers this Spring.

After driving to the Barossa Goldfields, the group were able to view a good range of native plants, including orchids. Because of the dry year, some species were not seen, but others not usually seen had come into flower. The bright yellow Yam Daisy was such a plant. Fortunately the prescribed burn had not impacted most of the track where the wildflowers were growing.

Back at the church, a slide

show of wildflowers from past years made use of photos taken by Phil Afford. During the afternoon tea, Dr David Taplin, chairperson of the church council thanked Leslee Carle and Leonie Hobbs for the contribution they had made to the success of this event and presented each with a gift. The Wildflower walk has been held annually for the past 45 years.

SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Men's Shed extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop. If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the lim-

its) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members.

Projects and activities are also undertaken which benefit the community.

September is Prostate Cancer Awareness Month and Member for Barker, Tony Pasin, is holding the big Aussie BBQ to raise awareness and funds for the Prostrate Cancer Foundation of Australia. The Southern Barossa Men's Shed has raised \$525 to contribute to this very important cause.

The SBMS shed is located at the rear of the Wirraminna Care Little Shop of Treasures on Queen Street, Williamstown. **Any enquiries relating to the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.**

Authentic Italian food and wine with breathtaking views in the Barossa Valley

Nestled in the heart of the Barossa Valley, God's Hill Wines crafts authentic natural Italian-style wines that honour generations of family winemaking traditions. We embrace natural winemaking, highlighting the true character of the unique God's Hill terroir in every bottle.

Ennia Cucina brings authentic Italian flavours to the Barossa Valley, specialising in:

- Neapolitan-style pizza • Traditional Italian pasta dishes • Authentic Italian cuisine

God's Hill Wines and Ennia Cucina offer a complete Italian food and wine experience, blending traditional winemaking with authentic cuisine. Each dish and wine pairing tells a story of heritage, craftsmanship, and the blend of Italian tradition with unique God's Hill terroir.
