LYNDOCH HISTORICAL SOCIETY

Duke of Edinburgh and Oscar Semmler

Fifty five years ago on the 24th March 1971, the Duke of Edinburgh made a visit to the Barossa. He was driving an open burgundy Rolls Royce when he made a stop at Lyndoch to see a gang of grape pickers at work.

In charge of the group was Gerry Semmler who offered his hand to the Duke remarking, "You don't mind sticky hands, do you?" Surprisingly the Duke shook it and went on to speak to other workers in the vineyard.

He asked a woman picker whether she was paid by the hour irrespective of how much gossiping was done. She replied, "We get paid by the hour even if we are waiting for the Duke."

Mr. Oscar Semmler then took the Duke on a guided tour of the Semmler Bros vineyard.

The Society's next general meeting will be held on Sunday 26th April at 2.00 p.m. in the meeting room at the rear of the Lyndoch Library.

The topic for the occasion is the 125th Anniversary of the Boer War and the unveiling of the monument to the fallen that is in the Memorial Garden by the Lyndoch Institute

OBSERVATIONS

by Lyn Doch

It's almost the end of Summer and with the change of seasons, comes a change in weather. Hot summer days and nights turn into days of relaxed temperatures as we emerge out of our cocoons and become butterflies.

Cold and flu season is soon upon us and Covid is still here, so tell me dear reader, why have people, businesses and SA Health let their guard down with Covid?

As I'm writing this to you, I have Covid. I got covid from people in our community who didn't wear masks and don't care about personal hygiene by not washing their hands. Adding to this the lack of social distancing from each other. I go into shops and businesses with Covid and it's now ok to do this?

Covid is still out there and all of us are not protecting each other. SA Health, in their wisdom, have decided to disconnect the Covid report line phone number to report cases of Covid.

We are too relaxed as a people and we don't care about Covid.

I'm doing my bit so I ask you all to start wearing your masks, wash your hands and use hand sanitizer, do this as if your life depended on it, because we only have one life to live.

Yes, keep doing our daily routines but if you're sick and have Covid.....please, dear reader, I say this with love and respect..... stay the hell away from me!

Barossa Park to close as Gather Round moves in

AFL Gather Round is returning to Barossa Park on 11 and 12 April, with plans well underway for another spectacular two days of footy.

To facilitate the build of significant infrastructure for the major event, Barossa Park will be closed to the general public from 9 March until 2 May. This will allow contractors to transform the site in time for match day and bump out after the final siren sounds.

Meanwhile, clubs and user groups calling the venue home have been

The Barossa Council Mayor Bim Lange said Council has worked hard to negotiate and facilitate access to Barossa Park, given the huge preparations required on site.

“We’ve been liaising with local user groups and sporting clubs to minimise the impact on training schedules and games,” said Mayor Lange.

“We appreciate everyone’s patience, including the general public who will be inconvenienced by the site lock down. Lyndoch Village Green remains open and it’s a great place to keep active, admire the view and walk the dog.”

Building on the success of last year's Gather Round matches at Barossa Park, Mayor Lange admits watching the infrastructure taking shape at the Lyndoch based ground is an impressive sight.

"It's a massive job for AFL contractors and it takes time, but it's also massive for our region," he said.

"I can't wait to see the magic happen before our eyes and the economic benefits roll in for the entire community as more people travel here to enjoy the incredible atmosphere.

"Our Barossa Food and Wine Village in Tanunda's Main Street on 11 April is well on track to be our most amazing event yet, and the Festival of Footy program is bursting at the seams!

"This is an opportunity to showcase what we do best and cement our position as a leading event destination in the nation."

Council is working collaboratively with AFL and SATC to finalise activations for Gather Round beyond the two AFL games. Stay up to date via Barossa.sa.gov.au.

SOUTHERN BAROSSA MEN'S SHED

The Southern Barossa Men's Shed has announced that it's AGM will take place at 'The Shed' on Wednesday, March 25 at 10.45 a.m.

The meeting is also open to non-members who may wish to attend.

mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members.

Projects and activities are also undertaken which benefit the community.

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Men's Shed extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

An example of some of the items that are produced by members at 'The Shed'

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop. If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys,

The SBMS shed is located at the rear of the Wirraminna Care Little Shop of Treasures on Queen Street, Williamstown. Any enquiries relating to the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

The sculpture in this photo is not part of that art trail, do you know where in Lyndoch it is?
