The volunteers of the Lyndoch Community Committee (LCC) would like to thank Mandy Creed of Barossa Chateau for the donation of a huge number of flower bouquets which were sold at the last Lyndoch Community Market.

\$367 was raised with Mandy donating the entire proceeds, 50% going to the Lyndoch Community Committee and 50% to Barossa Wildlife Rescue (BWR). LCC volunteers helped assemble the bunches, while BWR volunteers helped with sales.

# OBSERVATIONS

by Lyn Doch

It's that time of the year when kids play their winter sport of choice. With so many sports to try out and be part of a club or team, the main thing is that children give things a try and see if they want to play their chosen sport as they enter adult life, to make friends and be part of that environment.

I have seen families be there every Saturday morning, rugged up in their warmest attire, hot beverages in hand to cheer and support their child to be the best they can be and socialise.

Then there are some family members that step over the line...

I'm talking about family members who use inappropriate language when something they see is not right or a decision from a coach or umpire is wrong. These people are trying to cling onto living their past glories of yesteryear in a sport they played through the child in games they see.

STOP IT! YOU'RE EMBARRASSING! we don't want to hear your threats of anger and displeasure towards the child and officials. It's about being part of a team and having FUN!

I don't see role models for our children in the community anymore. Kids as young as 10 years of age roam the streets late on a Saturday night wanting to cause havoc and destroy our community because they're bored.

Police officers are not your child's parents.....You are the parent!

Children need structure, support with love and guidance. Be seen as that role model so I can feel safe in the community.

Dear parents and carers, I don't want to call the Police to report your child because of your lack of care or parenting.

Last month's poser was the Fairy Wren sculpture at the Lyndoch Lavender farm. They have some lovely pieces there and its great for a serene afternoon wander. Their Lavender Ice Cream should not be missed!!

Thank you to Judy Bastien and Tim Peters who wrote in about it, they were kind enough to provide the name of the artist—Baden from Corro Creations.

## SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Men's Shed extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group.

We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop.

If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members.

Projects and activities are also undertaken which benefit the community.

The S.B.M.S. shed is located at the rear of the Wirraminna Care Little Shop of Treasures on Queen Street, Williamstown. Any enquiries relating to the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.
